ST ALBANS
SECONDARY COLLEGE
Celebrating 60 Years

60th Anniversary Open Day

Program of Events
Sunday 12 June 2016
11am - 4pm

Welcome

On behalf of the School Council and the staff and students of St Albans Secondary College, it is my great pleasure to welcome past students and staff to this celebration of 60 years of education, friendship and achievement. Today is an opportunity for you to reconnect, to share stories of your experiences at St Albans High School / Secondary College, and to enjoy a tour of the new facilities.

It is also an acknowledgement of the outstanding contribution that the staff, past & present, have made to the lives of many thousands of young people and their families, and of the justifiably proud history that our college has as an education provider in the community of St Albans. We are recognised well beyond St Albans for our programs, and, most importantly, for our positive culture and excellent pathway outcomes for our students. This wonderful achievement is the culmination of 60 years of dedication, passion, leadership, and belief in the right of every student to the very best educational experiences & opportunities, and of a determination by so many to see this achieved.

The School Council and the current students, staff & families acknowledge and thank you for your part in contributing to the creation of a truly great school in which it is a privilege to teach and learn.

I hope you enjoy today and thank you for your valued support of our school community.

Kerrie Dowsley
Principal
